Design **SERVICE** Agreement

PURPOSE

The purpose of this agreement is to establish the terms under which DESIGNHUB will offer design and related services to THE CLIENT.

SCOPE OF AGREEMENT

The scope of the agreement is to cover all design related work offered to THE CLIENT by DESIGNHUB.

OBLIGATIONS

DesignHub Obligations

To complete the project within the designated time-period, using the content provided by THE CLIENT.

- To provide THE CLIENT feedback on project milestones.

Client Obligations

- To provide DESIGNHUB with the required content, in the correct format, within the stipulated time-period, in order for the project to commence.
- To provide feedback to DESIGNHUB within the stipulated time-period from receipt of the project.
- To settle all outstanding Invoices on/before the due date indicated on the Invoice.

GENERAL TERMS AND CONDITIONS

Terms of Agreement

General:

- Upon acceptance of the quotation an Invoice for the full project amount will be generated.
- A non-refundable payment, as stipulated on quotation, is required on acceptance of the quotation. This payment will serve as a deposit.
- The balance of the Invoice is payable on completion of the project or by the due date indicated on the Invoice (whichever comes first).
- Quotations are valid for the period indicated on the quotation.
- Payment of the required deposit is acknowledgement and approval of the quotation and all the associated terms and conditions, even without signing.
- Upon receipt of the required deposit the project will be added to our work schedule and only once all the content has been provided will the project commence.
- The client will be informed of the time frame for completion once all content has been received.
- Clients are requested to provide content within 14 days of the deposit being paid, failure to do so will result in the project being placed On Hold. On Hold projects will incur an additional R600.00 "wake-up" fee.
- Clients are required to provide ALL COPY/CONTENT for the project.
- All required information is to be supplied in an electronic format, either via e-mail, Dropbox or WeTransfer link.
- Additional editing and type-setting fees will be charged for content not provided in the correct format.
- 600 words constitutes a Web Page. Should a single web page exceed 600 words, this will result in additional pages and will be charged for accordingly.
- Sites are designed using an English Language CMS, non-English Language sites may incur additional charges.
- External hosting clients should take note that any additional time spent for technical support, eg. loading website on external servers and/or database configuration, but not limited to, will incur additional costs. Free Hosting with us for a period up to 1 Year is included in the quotation.
- Working with requested external third parties eg. Designers, Developers, Marketers, PR agents etc may incur additional charges, due to the additional time required to coordinate with them on the project.

Design **SERVICE** Agreement

- All projects allow for ONE CALL-BACK and one revision round. We suggest that feedback is consolidated, as to not incur additional costs.
- Clients are requested to provide feedback within 7 days, failure to do so will result in the project being placed On Hold. On Hold projects will incur an additional R600.00 "wake-up" fee. If you are unable to keep to the 7-day feedback time allocated, please bring this under our attention, so that arrangements can be made in this regard.
- After the call-back, additional editing costs are charged per hour. Our current rate is R600.00/hour billed in 15-minute increments. See other rates below.
- Projects are considered finalised when written approval has been received and all outstanding invoices have been settled (if any).

WordPress & eCommerce Websites:

- Functionality is based on the theme selected and compatible plugins.
- Design is based on current theme design Brand Guide i.e. logo position, colours and fonts.
- The site flow will follow that of the structure of the theme.
- Site is scalable within the parameters of the theme.
- Payment Gateway will be based on available gateways within the theme options.

Multi-section One-Page WordPress Websites:

- The Multi-section single-page website is also referred to as the One-Page Website.
- The One-Page Website Terms and Conditions include all of the above. Below are additional specifications:
- The One-Page Website consists of 5 sections on one web page, namely an Intro imaging section, an About paragraph section (300 words max), Services listing section (minimum 3 services with a brief, one sentence description, maximum 6 services) and a Contact detail section. Also included are the navigation bar / Menu, a condensed Contact Form, a Favicon and Copyright Footer section. These sections are all on one webpage, layered underneath each other with a scroll effect.
- Basic Hosting: One (1) .co.za domain name (subject to availability or variation will be suggested) and website hosting for 12 months – the first year domain name and hosting is included. (Please note that thereafter it is payable at R600 per annum for hosting and R100 per annum for .co.za domain name renewal.)

- 30 Mailboxes (Webmail access, details to be emailed to you once all accounts have been settled and upon request) and 3 GB Storage. The Basic hosting package costs and details can change without notice – all rights reserved.
- Backend Access (Details to be emailed to you once all accounts have been settled and upon request).
